## Chapter 1

### GENERAL

**1.1. Administrative Orders.** These instructions establish procedures and provide guidance for preparation, issue, numbering, funding, authentication, distribution and maintenance of special orders authorizing temporary duty and emergency leave travel of Air Force personnel.

#### 1.2. General Information and Explanation of Terms:

**1.2.1. Temporary Duty (TDY) Actions.** TDY is defined in JFTR, appendix A, and JTR, C4451. Temporary duty at any one location is limited to not more than 179 days. Exceptions must be specifically authorized by the Secretary of the Air Force. Route waiver requests through the local military personnel flight (MPF). JTR/JFTR references preceded by a "C" refer only to civilians and those with a "U" to military.

**1.2.2. Authentication.** The process that makes an administrative order official. Authentication takes place when the signatures of the approving official (AO) and the fund certifying official and the travel order number are placed on the travel order.

**1.2.3. Effective Date.** The date orders go into effect; usually the date shown for travel to begin.

**1.2.4. Authority to Publish Orders.** In accordance with (IAW) AFI 37-128, commanders down to and including squadron level may publish orders. Commanders below squadron (detachment or flight) level may publish TDY orders when a higher level commander specifically authorizes them to do so. A commander may publish orders that are not within his or her jurisdiction only if the proper commander approves. Hospitals and aeromedical staging units may publish orders on patients who are members of any Air Force activity but must give copies to the patient's parent organization. Additionally, the commander or order office of primary responsibility (OPR) may delegate orders-publishing authority.

**1.2.5. Orders Approving Official (AO).** The competent authority who determines the need for an order, requests its publication, justifies special authorizations, and approves claims for reimbursing items not authorized in the order or which require administrative approval (the AO will not be the traveler). This official must sign manually prepared orders or requests for composed orders. He or she need not sign computer generated orders as long as the automated system is certified by the Defense Finance and Accounting Service (DFAS).

**1.2.6. Heading.** For the publishing headquarters, include DEPARTMENT OF THE AIR FORCE; complete unit designation; Major Air Command (MAJCOM) of assignment, abbreviated in parentheses; mailing address; type and number of the order; and the date order is published. Do not postdate or predate. On form orders, type the designation of the publishing headquarters in upper case letters. On composed orders, letterhead stationery without caption may be used. See Figure 1.1 for example.

**1.2.7. Body.** Write a separate paragraph for each action directed. List all persons or activities affected by the same action in the same paragraph. Number paragraphs when more than one is used and divide into subparagraphs when needed.

**1.2.8. Close.** The elements of the close may include the fund citation, required distribution, unit designation, AO signature and title, order number and issue date.

1.2.8.1. This section also includes address and facsimile information for other DoD agencies/Services when the travel voucher must be forwarded to those agencies/Services for settlement. Contact your local Financial Services Office (FSO) Travel Section for guidance when using another DoD component's funds.

**1.2.9. Numbering and Dating Administrative Orders.** Each order must be dated. Number in order, starting with number one for each fiscal year (FY). The servicing FSO will determine whether orders are numbered centrally by the FSO or decentralized to the units. If orders are unit numbered, the FSO will determine what numbering prefix is used. The order number will include type of order, special order (S.O.), series (T), and numerical designation. Cite, above the heading of the first order of a year, the number of the last order published the previous year.

**1.2.10. Citing Authority for Publication.** An authority must be cited in all travel orders.

**1.2.11. Forms for Orders.** Compose an order when a form can not be used but include required information. Computer generated orders may vary from format established for composed orders or form orders after which they are patterned as long as all required data are included.

**1.2.12. Series of Special Orders.** Use Table 2.1, AFI 37-128, when assigning a series of special orders to specific actions.

**1.2.13. Information Required To Identify Personnel.**

**1.2.13.1. Grade, Name and Social Security Number (SSN).**

1.2.13.1.1. Write name and grade in upper case letters, except as noted in paragraph 1.2.13.4.

1.2.13.1.2. For composed orders, the first time a name is used state grade or title, first name, middle initial, last name and SSN. Subsequent use will include only grade or title and last name.

1.2.13.1.3. If the person is retired include the word "Retired."

1.2.13.1.4. Omit the SSN for individuals who do not have one, such as foreign nationals, exchange officers, etc.

1.2.13.1.5. When many individuals are on an order (for example, orders directing units to perform TDY), make a machine roster and photocopy it on the order.

1.2.13.1.6. The order containing all the names and SSNs will not be given to the travelers; instead, a copy of the order with SSNs blanked will be provided to the travelers. Upon using the order, each traveler will fill in his or her SSN. The order containing all the names and SSNs will be used for official purposes only, i.e. FSO for funds obligation and lodging office to verify and track customers.

**1.2.13.2. Unit and MAJCOM of Assignment.** Show each individual's unit, MAJCOM, and assignment address. When a composed order is published by the unit state only "this headquarters (HQ)" or "this unit" in the body of the order.

**1.2.13.3. Departmental Status and Component.** In orders for military personnel not in the Air Force, include the departmental status and component, in addition to grade, name, and service number or SSN. For example, CAPT MARK HESS 000-00-0000, DA (INF)" or "SQ LEADER JAMES W FEARS, 5167, Royal Air Force."

**1.2.13.4. Air Force Office of Special Investigations (AFOSI) Agents.** Omit grade in travel orders of AFOSI agents and use the term "Special Agent, AFOSI," instead of grade.

**1.2.13.5. Senior Executive Service (SES) or Scientific or Professional Personnel.** On all forms and composed travel orders, after the name include the position title and precedence priority distinguished visitor (DV) code assigned to the traveler. For example: "SES-3 Deputy Director, Material Management (OC-ALC) (DV-6)."

**1.2.14. Verbal Orders.** Do not issue verbal orders unless absolutely necessary. Verbal orders are authorized only when time or error prevents written orders from being published in advance of travel. Verbal orders must be confirmed (in writing) as soon as possible. Include in the written order the date and by whom the verbal order was issued and a statement why written orders were not issued earlier. For example, "The verbal orders of the commander on (date) are confirmed; circumstances prevented written orders in advance." On form orders this can be included in the remarks block. When an order is published by an organization that authenticates orders for several units (host and tenant situations), include the unit issuing the verbal order.

1.2.14.1. Variations in itinerary will not be included when publishing orders after travel is completed. Instead, include specific dates and travel locations. Confirmatory travel orders must include the following statement: "Submit a travel voucher within 5 workdays after receipt of order (if travel is completed before orders are published) or after travel completion (if orders are published before travel is completed)." An example of a composed travel order body follows: The verbal orders of the Cmdr, HQ AFMC, Wright-Patterson AFB OH, 1 Jun 97, directing CAPT DAVID F SMITH, 123-45-6789, HQ AFMC/IGA, this stn, to proceed on 1 Jun 97 from Wright-Patterson AFB OH to Edwards AFB CA on TDY for approximately 5 days to perform tests in connection with aircraft stress testing and to return to Wright-Patterson AFB OH, are confirmed. Circumstances prevented written orders in advance. (SITE VISIT) TDN. Submit a travel voucher within 5 workdays after orders receipt.

1.2.14.2. A DD form 1610 may be used for a confirmatory order. If it is put the word "CONFIRMATORY" in block 8 and the required statement in block 16.

**1.2.15. Changes to Orders-Amendments, Rescissions, and Revocations.** Amend an order to change data in it. Rescind an order when some action has been taken on the published order, such as a Government Transportation Request. Revoke an order when no action occurs against the original order. To amend, rescind, or revoke an order, use AF Form 973, Request and Authorization for Changes of Administrative Orders, or a composed order if AF Form 973 is not practical. Publish amendments, rescissions, and revocations in the same series as the original order. Do not use blanket statements such as "Previous orders are rescinded" or "This order supersedes all previously published orders."

**1.2.15.1. Who May Publish.** An order may be amended, rescinded, or revoked by the organization that published the original order. Exception: Hospitals and aeromedical staging units may publish orders on patients who are members of any Air Force activity, but must provide copies to the patient's parent organization.

**1.2.15.2. How to Complete AF Form 973, Request and Authorization for Change of Administrative Orders.** Complete the items needed to make the change, as shown in Figure 1.1.

**1.2.15.3. Publish An Amendment:**

1.2.15.3.1. To add, delete, or change pertinent data to read as originally intended. Refer to paragraph 1.2.15.7 for additional information.

1.2.15.3.2. To correct inaccurate first and middle names and initials and other personal data on invitational travel orders, and on other TDY orders when required for an individual to enter a foreign country.

1.2.15.3.3. To add or change a travel advance payment statement(paragraph 2.1.5 and Figure 2.1, item 16y).

**1.2.15.4. Do Not Publish An Amendment:**

1.2.15.4.1. To replace one name with another.

1.2.15.4.2. To correct appropriation data. Refer to Department of Defense Financial Management Regulation (FMR) Volume 9, Travel Policy and Procedures, paragraph 020205.B.

1.2.15.4.3. For after the fact approval in some instances. Some JFTR/JTR provisions provide for after the fact approval (e.g., special conveyances). In this case the approval is not a retro-active amendment. Such expenses are claimed on the voucher and approved by the AO signature on the DD Form 1351-2, Travel Voucher or Subvoucher. (The traveler should obtain AO approval prior to incurring expenses not previously authorized.) Refer to FMR, Volume 9, paragraph 020204.B.

1.2.15.4.4. To add an individual after the original TDY order has been published. Publish a new order.

1.2.15.4.5. To delete an individual. Rescind/revoke in part the original order that pertains to the person.

1.2.15.4.6. To change an effective date after it has passed. Revoke the expired order and publish a new one.

1.2.15.4.7. To change meal direction after the fact. The AO (pen and ink) circles the correct item or itemizes the changes as necessary. AO signature is required. See Figure 2.1 and Attachment 2 for specific instructions.

1.2.15.4.8. To change personal data except as noted in paragraph 1.2.15.3. When orders contain erroneous data (e.g., misspelled names, incorrect social security number (SSN) or incorrect grades), the traveler may make and initial changes.

NOTE: Rescind an order when some action has been taken on the published order, such as travel advance, Government Transportation Request (GTR), etc. Revoke an order when no action occurred against the original order. Amend an order to change data in it. If the order is being revoked only as it pertains to some, but not all, individuals in the basic order type the words "IN PART" after you mark the "Revoked" block. This is not necessary if it is already preprinted on the form.

Items 1A through C, 8, and 11 through 16 are self explanatory.

Item 2--Include all previous amendments.

Item 3--(Relating to TDY). Include original TDY action.

Item 4--(Identification of Individual to Whom Change Action Pertains). Do not use this form if the original order pertained to the appointment of a board or committee; use a composed order. When an amendment applies to everyone listed on the basic order, use the statement, "same as basic order" instead of repeating names on the amending order.

Item 5A--(Amendment). When indicating a change in wording, underscore the portion changed and what it is changed to read.

Item 5B--(Is Amended to (Include) (Delete)). Cross out the one that does not apply.

Item 6--(Remarks). Include information not covered by preceding items, for example, the authority for the action when required, etc. You may also use this item to continue preceding items when more space is required.

Item 7--(Accounting Citation). Include fund citation from original order. If the member is placed in TDY hold status by HQ AFPC, add ALPHA code "P" (Per Diem). Initials of the fund approving official are required on amendatory order when additional funds are being spent, such as a TDY extension, travel to additional TDY points, etc.

Items 8 through 16-- Self-explanatory.

---

**1.2.15.5. When to Rescind an Order.** Rescind an order when it is no longer needed: for example, if an individual has blanket or repeated travel orders and goes PCS, completes a project, or has a change in duty assignment.

**1.2.15.6. When to Revoke an Order.** Revoke an order before it has gone into effect. The AO determines when to revoke "T" series travel orders and notifies the office that published the order by memorandum. The AO will rescind the order with an AF Form 973, if travelers made preparatory travel expenses. Officials may use a letter to cancel TDY orders and deobligate funds pertaining to TDY orders. When using a letter, the subject will include the number and date of the order being revoked, e.g. "Revocation of S.O. T-1234, dated May 15, 1997." Include in the body of the letter the traveler's name, SSN, organization, and rationale for travel cancellation. The requesting official must sign and date the letter.

1.2.15.7. Retroactive amendments to increase or decrease the amount of money due the traveler must be fully justified (24 Comp Gen 439). Written requests for such amendments must clearly show the original order was unclear, incomplete, or lacked necessary information. Orders publishing agencies should look carefully at requests for such amendment to ensure the amendment and

the reasons given agree with this Comptroller General decision. Circumstances permitting an amendment to authorize additional payment are so rare that claims based on them are seldom allowed. Instead, the travel claim with amended orders should be submitted to the General Accounting Office through DFAS, with a statement of facts and circumstances. A written amendment confirming a verbal order is not included in this category provided the verbal order was issued on or before the effective date of the directed change.

1.2.15.8. If an order is revoked or rescinded and replaced immediately by a new order from the same organization, the new order may also announce the revocation or rescission. In the remarks section of form orders, add the statement in uppercase letters: "THIS ORDER REVOKES OR RESCINDS (ORDER NUMBER AND DATE.)" In composed orders, make this statement the last paragraph.

1.2.15.9. When an order is revoked, it no longer exists as an official document. Once rescinded, although still an official document, it no longer can be used. Do not revoke a revocation or rescission; instead publish a new order.

#### **1.2.16. Corrected Copies:**

1.2.16.1. Publish a corrected copy of an order only to correct an error in the publishing headquarters, travel order number, or date. For example enter "CORRECTED COPY-DESTROY ALL OTHER T-12345, dtd 5 Oct 97" (cite incorrect number and date) at the top of the corrected copy. Use the same heading and close used on the original composed or form order, correcting only those portions requiring correction. Double underscore the corrected portion. Distribute the same as original order. See paragraphs 1.2.15.3 and 1.2.15.4 for criteria to amend orders.

**1.2.17. True Copies.** You may reproduce any order or portion of it, as a true copy or a true extract copy. Include the same heading and close as the original composed or form order, and the statement "A TRUE COPY" or "A TRUE EXTRACT COPY." In a true extract copy, include only the required information. For example, if a paragraph is on several individuals, include only the name of the one for whom you need a copy. Use asterisks to indicate omitted material. Individuals authorized to authenticate orders according to paragraph 1.2.2, may authenticate true copies or true extract copies.

**1.2.18. Printed Information on Reverse of Orders.** You may print information on the reverse of special orders to make the job simpler. Suggested order back is at Figure 2.2.

**1.2.19. Record Copies-Maintenance, Disposition, Retrieval, and Review.** For information on: length of orders

and continuation lines, paper size, margins, and numbering refer to AFI 37-128. Disposition instructions may be found in AFI 37-138, *Records Disposition--Procedures and Responsibilities*.

**1.2.20. Orders Distribution.** For general information see AFI 37-128. In addition, those units authorized to publish travel orders must ensure a copy of each travel order is forwarded to the FSO within one duty day of the date published. Faxed copies are allowed.

**1.2.21. Orders Reproduction.** Orders reproduction is the responsibility of the unit issuing the orders.

**1.2.22. Maximum Time Periods for TDY.** Active duty Air Force personnel are not placed on funded TDY (including travel time to and from) at any one location for more than 179 days. Refer to

AFI 36-2110, *Assignments*, for waiver criteria or contact your MPF. Temporary duty to attend courses of instruction must not exceed 20 weeks (not counting travel time to and from) at any one location. Holidays or periods when classes are suspended do not serve to extend course duration (53 Comp Gen 218). Reserve components are limited to 20 weeks TDY without a waiver (reference JFTR U7150 A.4.).

**1.2.23. Attendants and Escorts.** Authorized types of orders that may be published for attendants and escorts vary on a case-by-case. For more information see Table 1.1 and contact your local FSO.

**1.2.24. Forms to be Used for TDY.** Use a DD Form 1610, Request and Authorization for TDY Travel of DoD Personnel, when practical, to publish TDY orders. See the general example in Figure 2.1 and specific examples in Figures 2.1 and 2.2. DoD personnel include civilian employees, military members, and military retirees. Use either a DD Form 1610 or a composed order for blanket, permissive and repeated TDY orders. AF Form 972, Request and Authorization for Emergency Leave Travel, will be used for funded emergency leave of military members and accompanying dependents. Use an AF Form 937, Request and Authorization for Dependent(s) Travel, when dependents travel alone.

**1.2.25. Contingency, Exercise, Mobility (CEM) Orders.** Specific instructions for CEM orders are contained in AFI 10-215, *Personnel Support for Contingency Operations*. (PERSCO).

**Table 1.1. Orders for Attendants and Escorts.**

10		private person	invitational travel order	U7554

**NOTES:**

1. "OS" means outside the 48 contiguous states. "CONUS" means within the 48 contiguous states.

2. For nonmedical attendant, travel and transportation allowances are payable not only to exceed the cost of travel to and from the medical facility while accompanying the patient to the medical facility, delay at the medical facility awaiting return transportation home, and round trip travel to the medical facility and return when the patient is able to return home. For escorts, travel and transportation allowances are payable for travel to the point dependents relocate, delay awaiting return transportation home, and travel home.
3. Does not include escorts for deceased personnel.

## Chapter 2

### TDY ORDERS

#### 2.1. Qualifications and Responsibilities of the Orders Approving Official (AO).

**2.1.1. Qualifications.** Commanders must ensure their AOs are of sufficient rank and training to make sound decisions about the TDY mission. The AO is an individual having the capability to validate TDY requirements and approve/disapprove travel requirements for mission accomplishment.

**2.1.2. Determine the need for TDY.** Temporary duty is conducted to meet mission requirements only. Do not permit travel when a letter, telephone, message, or less expensive means will do. Keep the number of people who must travel to a minimum; for example, never allow two or more persons to travel when one person can do the job. Determine if personnel near the temporary duty station can do the job. Combine missions to carry out multipurpose results, thereby cutting unnecessary trips, number of persons traveling, places to be visited, variations in itineraries, and length of trips. Keep personnel participation at conferences, meetings, and seminars to a minimum when travel is at government expense (including nonappropriated funds) and does not relate directly to the accomplishment of the mission (refer to DoD 5500.7-R, *Joint Ethics Regulation*, for official travel not at government expense). Review and reauthorize, if needed, blanket and repeated travel orders. Ensure travel is kept to the minimum necessary to carry out command or unit mission. Screen requests for foreign travel to keep U.S. attendance at foreign conferences to minimum. If possible, use U.S. personnel located at or near the conference site, and assure compliance with the *DoD Foreign Clearance Guide* before travel begins. Coordinate local transportation requirements when sponsoring meetings and conferences to keep costs at an absolute minimum, including reducing the need for rental cars.

2.1.2.1. For off-base lodging, require the traveler to coordinate with the commercial activity to determine if the location is tax exempt and if so, the forms and actions required to gain the necessary tax exemption. The traveler will take advantage of the tax exemption where ever allowed to help reduce TDY costs.

2.1.2.2. When the AO has written permission to cite funds from another organization, the AO relies upon the funding organization for guidance relevant to special authorizations and meal direction (refer to paragraph 3.2 and atch 2).

**2.1.3. Modes of Transportation.** Government travel will not be procured from a travel agency other than the TMO/CTO. Direct government procured transportation except:

2.1.3.1. When a specific mode of travel, for example, military air is directed in the order.

2.1.3.2. For limited instances of travel abroad.

2.1.3.3. When using a privately owned conveyance (POC). Travelers should be permitted to use a POC if they desire and the mission does not require travel by another mode.

**2.1.4. Other Information for Orders Approving Officials (AOs).** Provide written authorization for persons to escort or handcarry classified information.

2.1.4.1. Approve requests to handcarry classified information according to AFI 31-401, Managing the Information Security Program.

2.1.4.2. Ensure civilian contractor plants and Air Force plant representatives office (AFPRO) are notified before travel is made to those type of organizations.

2.1.4.3. Take full responsibility special authorization approvals.

2.1.4.4. Determine meal direction for travelers billeted on a military installation or when meals are provided in a conference registration. See item 16, Figures 2.1 and 2.2 and atch 2. Refer to AFI 34-602, Government Quarters and Dining Facilities, to determine meal availability on Air Force installations. Until confirmed otherwise, presume meals are available on Army, Navy, and Marine installations.

**2.1.5. FSO Travel Advance Eligibility Statements.** Include a travel advance payment statement as prescribed by Figure 2.1, item 16y. This requirement is the result of the DoD Standard Travel Advance Policy. The Policy specifies the travel advance payable based on the eligibility of personnel for a government contractor-issued travel charge card. The travel advance will be based on the travel advance statement (specified by Figure 2.1, item 16y). If the order does not contain a travel advance statement, payment by **FSOs SHALL NOT BE MADE UNLESS AN AMENDED TRAVEL ORDER IS PUBLISHED**. Note: A travel advance is not authorized except when the mission limits ATM availability, advance conference fees are required for non-Air Force sponsored meetings and/or conferences as addressed in AFI 65-601, Vol 1, *Budget Guidance and Procedures*, paragraph 4.42, the member has applied for a government travel charge card and the card has not arrived (proof of application required before advance is made), or when the traveler's card was withdrawn for cause.

2.1.5.1. For TDYs over 30 days, the FSO will provide alternative pay methods for cardholders. For TDYs longer than 30 days the following two alternative pay services will normally be provided to the traveler:

2.1.5.1.1. Compute an advance based on the orders and EFT the advance to the travelers bank account the day the trip starts. This method requires only one transaction and the traveler will have the money in his or her checking account to pay the government travel charge card bill on time. It is the travelers's responsibility to contact the government travel charge card 1-800 number to determine the amount owed.

2.1.5.1.2. Compute the advance based on the orders and suspend an EFT payment to be made automatically every 30 days for the length of the trip. This method will reduce the total amount of cash advances but will require additional transactions.

2.1.5.2. Fund estimates are always required on TDY orders when self-type (local) funding is cited.

2.1.5.3. At the discretion of the local FSO, Fund Summary Record and Program Summary Record addresses may be entered on TDY travel requests.

**2.1.6. TDY to High Threat Areas.** Annotate TDY orders when travel is to designated high threat areas to reflect compliance with the DoD Travel Security Policy. Refer to the DoD Foreign Clearance Guide, contact the local Antiterrorism Representative, or OSI Detachment to determine current high threat areas. The policy requires individuals to travel by AMC air or AMC charter to the maximum extent possible, receive briefings on availability and use of fee passports by the local passport agent, and receive terrorist threat briefings and suggested personal travel precautions by designated local officials prior to travel.

2.1.6.1. Military members must, and civilians and dependents may, familiarize themselves with AFI 36-2209, *Survival and Code of Conduct Training*, for training and education measures necessary to support the Code of Conduct.

2.1.6.2. In addition, attach the Antiterrorism Travel Order Coversheet (AFVA 208-3) to the TDY orders before giving to the traveler.

**2.1.7. Travel Order Personnel Tempo (PersTempo) Codes.** Include, in the “Remarks” block of the order, the appropriate “Travel Order PersTempo Code” and corresponding definition title listed in Table 2.1. This code is used in the voucher settlement process to flow information back to the personnel system. Additional information on the Duty Status Codes that fall under each “Travel Order PersTempo Code” can be found in AFI 36-2134. A travel voucher supported by an order that does not have a “Travel Order PersTempo Code” will be processed as an “Q” Travel Order PersTempo Code during settlement. This travel will not accumulate for the payment of high-deployment (Burdensome Tempo) pay.

**Instructions for Preparation of DD Form 1610.**

Items 1, 6, 7, 21, and 22. Self-explanatory.

Item 2-Included Name (uppercase letters) last, first, middle initials.

- a. If an order is for several people, include data for no more than 2 in items 2, 3, 4, and 6; then put in item 2 "See item 16" and type remaining names and data in item 16, space permitting.
- b. If space in item 16 does not permit, include "See reserve" in item 2 and type all names and other information on plain bond paper so it can be reproduced on the order back.
- c. Do not put the names in all three places. Type the information immediately under each "Item Heading" either on the front or on plain bond.

Item 3-Social Security Number (SSN).

Item 4-Position Title and Grade or Rating.

Item 5-Official Station.

Item 6-Organizational Element.

Item 8-Type of Orders.

Item-9-Purpose of TDY:

- a. Do not use a general statement, such as "USAF Matter" or "Official Business". Use a clear concise statement which portrays the travel purpose. Also include one of the following categories of travel most closely describing the order purpose:

(1) Site Visit. Visit to a site perform operational or managerial activities. Example include: oversee programs, grant operations, or management activities for internal control purposes; carry out an audit, inspection, or repair activity; conduct negotiations; provide instructions; and provide technical assistance.

(2) Information Meeting. Attend a meeting to discuss general agency operations, review status reports or discuss topics of general interest. If a site visit was conducted as part of the same trip, consider the entire trip a site visit.

(3) Training Attendance. To receive training.

(4) Speech or Presentation. To make a speech or presentation, deliver a paper, or otherwise take part in a formal program other than a training course.

(5) Conference Attendance. To attend a conference, convention, seminar, or symposium for purposes of observation or education only with no formal role in the proceedings.

(6) Entitlement Travel. Travel to which the employee, member, or their dependents are entitled as a result of an assignment; for example, official vacation or home leave; medical emergency, and educational travel.

Item 10a-(Approx Number of Days). Show the number of days TDY, plus travel time from PDS to TDY locations (or locations) and return. DO NOT include delay enroute or ordinary leave in this item.

- a. If traveler remains on TDY for more days than shown, the order need not be amended if the number of days on TDY is no more than 100 percent or 7 days, whichever is less. For example, if 5 days TDY

are authorized and the traveler remains on TDY for 10 days, an amendment is not necessary. In this example, if the traveler was required to remain on TDY for 11 days, then an amendment must be published extending TDY.

b. For repeated orders, leave blank and place a statement in item 16 showing number of trips to be taken.

c. For BTOs, leave blank.

d. For permissive TDY, show specific number of days, including travel time. Cross out the word "approximate."

e. For special leave always enter "15."

NOTE: For military personnel, extension beyond 179 days TDY requires prior Secretarial approval. Enter in item 16 SAF approval was granted according to AFI 36-2110 (as applicable) by (Cite letter or message, and date).

Item IOB-(Proceed O/A Date). The on or about date is valid for 7 days before or after date shown, as long as the traveler does not depart before the date the order is authenticated. For example, if the date shown on the order is 7 May 97 and the traveler does not depart until 14 May 97, no amendment is needed. If the traveler leaves on 15 May 97, publish a new order. For blanket and repeated travel orders and special leave orders, show inclusive dates. For example, NET 1 Oct 97-NLT 30 Sept 98.

## NOTES:

1. If a new order is done on the same traveler (or travelers) because the effective date is passed, the old order may be revoked or rescinded in the remarks section of the new order.

EXAMPLE: SO TA 1945, 6 MAY 97, RELATING TO ABOVE INDIVIDUAL (OR INDIVIDUALS) IS REVOKED. (If travel advances were paid or if a GTR or MTA has been processed, even if they are returned to the FSO or TMO, the order must be rescinded not revoked.)

2. When delay enroute is authorized, proceed date is based on when the traveler will depart duty station.

## Item 11-(Variation Authorized):

a. Only use when absolutely necessary (see paragraph 3.4 for guidance). Do not authorize variations in repeated, blanket, or permissive TDY orders. Only use it in confirmatory orders when the traveler has not yet returned and the remainder of the itinerary is incomplete. If the order is requested after the travel is completed, do not authorize variations. Instead, put in place(s) where TDY was performed (in exact order).

b. (Itinerary-FROM) Enter the word "FROM. " Use location where traveler is assigned or located; for example, permanent station, leave address, TDY point when new orders are being published for further TDY, or station where assigned for a special or short tour of AD. If traveler is at a leave address, TDY station, or a short or special tour of AD, enter in item 16: "Presently on (TDY, short tour of AD, or leave) per (include information to identify order)".

c. (Itinerary-TO) enter the word "TO." When unclassified, show specific location where TDY will be performed; for example, unit and military installation (air base; air station; site; test range; foreign, U.S. or state agency; or building and city, and state or country. Do not indicate a military installation near the TDY location merely to save per diem costs. However, if official business is going to be conducted on that installation it should be shown on the order. Do not show enroute stops where no TDY will be performed. For BTOs, include: "Will proceed as many times as necessary to any point (within or within and outside) (CONUS, Europe, etc.)". For special leave enter the POD in CONUS specified by TMO.

d. (Itinerary-RETURN TO) Enter the words "RETURN TO." As a rule, return will be shown to the traveler's permanent station.

(1) If traveler is ordered to TDY from a leave address, and is to revert to leave status, include in item 16: "Upon completion return from TDY will revert to leave status, (number) days leave authorized."

(2) If traveler is ordered on further TDY from a TDY point, and is to return to first TDY station, include in item 16: "Upon completion return to (TDY station) and comply with existing orders."

NOTE: When "FROM" and "RETURN TO" addresses differ from the organization publishing the order, the ZIP Code on those showing an Air Force Base is not required; for all others, include a complete address; for example, street, city, state and if known, the entire ZIP Code.

Item 12-(Mode of Transportation). For CONUS travel, do not use this section to authorize or direct any mode of travel. Instead, indicate the authorized or directed mode of travel in block 16. For transoceanic travel, unless the traveler has been authorized to personally procure transportation per paragraph 3.3.12, check the block "as determined by appropriate transportation officer." Cross out "(Overseas travel only)" and type in "Transoceanic Travel." Review restrictions in JTR, paragraph C2001, before directing or authorizing travel by government aircraft for civilian employees.

Item 13-(Per Diem Authorized). Not used unless a reduced or increased rate is prescribed; then enter an "X" in the block (other rate of per diem) and add: "Per diem \$\_\_\_\_\_ authorized according to (cite authority)." See the JTRs, paragraph U4135-C (military travelers) or C4550-1 (civilian travelers). For special leave, enter "NO PER DIEM AUTHORIZED (AFI 36-3003)".

Item 14-Complete on all for self specific allotment funded (local funds) TDYs.

Item 15-(Advance Authorized). Not required. See JTR, paragraphs C1103-1 and C3150-2, item 15.

Item 16-(Remarks). Used for instructions, special authorizations and other pertinent information. The following statements are provided as examples and should be used as required. (Frequently used statements or instructions may be preprinted on the reverse of the DD Form 1610, see Figure 2.2, and the applicable item numbers referenced in item 16. Type the following: "The following items on the reverse apply;" (List the number of each applicable item).

a. Meal Direction Statement. For travel to military installations and except for field duty or inpatient orders, list all the following meal direction options on the order back and make a statement in block 16 which item applies:

- 1) All government meals are available and directed.
- 2) Partial government meals are available and directed.
- 3) Government meals are not available or directed.

Changes to meal direction are allowed after the fact by the AO if necessary (Figure 2.2.). Circle the correct option and sign by the circle. Note: Entitlements may only be increased after the fact. For more complex changes involving a number of days, indicate changes specifically by day, providing the first letter of the revised entitlement. For example, if the AO wants to upgrade days 3, 7, 8, and 9 to locality rate and 6 and 10 to proportional rate, the change would look like this: 3L, 7L, 8L, 9L, 6P 10P. The AO signs in the space provided. Note: The beginning and ending days of travel are automatically computed using 75% of the locality rate.

b. Reporting Instructions. For Schools or Courses of Instruction, reporting instructions are required. Reporting instructions are optional for other types of TDY. For schools or course of instruction include class entry date. If applicable, include: "During the period of TDY, individual is attached to (unit) for administration." Include the following statement in all school orders: "Individual will report to TDY station no earlier than \_\_\_\_\_ (hour and date) or no later than \_\_\_\_\_ (hour and date) and will depart TDY station NLT 1 day after course completion."

NOTE: For information on reporting dates when attending more than one course, see AFI 36-2110. Reporting instructions are in AFCAT 36-2223, *USAF Formal Schools* or will come from the quota control agency.

c. Acting Transportation Officers. If traveler is to be designated as an Acting Transportation Officer, include: "Individual is designated an Acting Transportation Officer for the purpose of issuing transportation requests and will comply with AFI 24-101."

d. Commercial Transportation Arrangements. Usually, state "Per AFI 24-101, Government procured transportation directed; contact your Commercial Travel Office (CTO) or Traffic Management Office (TMO) as soon as possible."

e. Travel at no expense to the Government. If traveler is taking part in a public ceremony or demonstration, and expenses are paid by the sponsoring agency, include: "Travel will be performed at no expense to the government; expenses will be borne by (organization)."

f. Recoupment of Expenses. If the Air Force is to recoup travel costs of travel from Service, government agency, or a foreign government, include: "Recoupment of expenses incident to this order will be effected by USAF from (agency concerned)."

g. Permissive TDY:

(1) To authorize permissive TDY together with official TDY, for permitting individuals or groups such as bands to perform at unofficial functions, include: "Permissive TDY at no expense to the government authorized from (hour and date) to (hour and date) for the purpose of (state purpose, for example, performing at officer and NCO open messes, etc.)." If the permissive TDY is for a purpose other than the one shown above, include: "no more than \_\_\_\_ days permissive TDY, including travel time, is authorized at no expense to the government for the purpose of (state purpose)." See Figure 2.5.

(2) For permissive TDY not in conjunction with official TDY, see paragraph 2.6. For required statements, see Figure 2.5.

h. Group Travel. If travel falls within the purview of JTR, paragraph U4000, include: "This is a group travel order."

i. Contingency, Exercise, and Mobility (CEM) TDY. See AFI 10-215.

j. Casualty Reporting Information. Include the following on orders for members assigned to geographically separated units (GSU): "Casualty reporting information: Member's UPRGP is maintained at (location of Personnel Flight maintaining records)."

k. Repeated TDY Travel. Include: "Traveler is authorized to perform (number) round trips each (week, month, year, or during period indicated in item 10b)."

l. Exercises and Maneuvers. If TDY is associated with exercise, maneuver, or other similar activity, the dates of the actual period of the exercise as explained in the exercise plan must be included. For example: "The actual period of (name of maneuver, exercise, etc.) is from (date) to (date)."

m. Travel by Privately Owned Conveyance. If more than one traveler will be in an official travel status traveling in a privately owned conveyance, add the names of those persons and show who's driving. For example: "(Name of traveler) will be a passenger in a privately owned conveyance driven by (name of driver) or (name of traveler) will be accompanied by (name of passenger) in his or her privately owned conveyance." If all or some of the people are listed on the same order, it's easier to asterisk the names, for example, one for the driver and two for the passengers, and explain in item 16. For example: "\*driver, \*\*passenger."

n. Registration/Conference Fee. If a fee is required to attend federally or nonfederally sponsored meetings, include: "Registration fee is approved on \_\_\_\_\_ (date) in the amount of \$\_\_\_\_\_ which: (a) covers cost of \_\_\_\_ meals and \_\_\_\_ nights lodging at \$\_\_\_\_\_ per night, (b) covers no meals or lodging. (Authority: JTR, C4708 (Civilian), JFTR, U4535 (Military). See AFI 65-601, Volume 1, paragraph 4.42 for more information on registration fees. Note: If conference fees include meals, per diem rates are adjusted downward to PPD or incidentals, whichever applies.

o. Leave Information. Complete when leave is granted for reasons other than to cover excess travel time. Enter number of days authorized; and when possible, the emergency telephone number; and the address of the leave point. For civilian employees only enter the number of days authorized. Do not use a TDY order to account for leave taken prior to departure from or after return to the PDS, whether civilian or military.

p. Excess Baggage Authorized Per Person. Authorization for excess baggage, when approved (paragraph 3.3.14), include "Excess baggage of pd/pieces authorized."

q. Aero Club Aircraft. Include: "Use of aero club aircraft is authorized." This is not a special authorization but reimbursement is limited to cost of Government Transportation Request (GTR)\_\_\_\_\_. (JFTR paragraph U3210 and JTR paragraph C2053)

r. For travel abroad, refer to the DoD Foreign Clearance Guide.

s. TDY to Military Installations. Add the following statement: "Per diem is based on the availability of government quarters (military and civilian)and mess (military). For travel to military installations, advance lodging reservations are mandatory to maximize the use of government quarters and for more efficient use of per diem. Contact the TDY location's lodging operation immediately to make reservations. If on-base lodging is not available, the lodging office will make reservations in contract quarters or provide nonavailability information." This statement is not necessary on medical inpatient orders.

t. Special Leave. Add: "Member is authorized special leave and space required transportation to the nearest port in the 48 contiguous states and return transportation from the port to the PDS. Authority: 1 U.S.C. 705 and AFI 36-3003."

u. Return to Duty Travel. See paragraph 2.7 and Figure 2.6 for a sample order using a DD Form 1610.

v. TDY 30 Days or More. When published by the member's unit add: "Report to MPF/DPMUO prior to departure."

w. Promotional Items. On funded orders add: "Accept no promotional items, for example gifts, bonus tickets, etc."

x. Charge Card/Travel Advance Statements. See paragraphs 16y through 16ab for guidance. If further guidance is needed, contact your local FSO.

y. If allowing a travel advance, orders will so state. If the order does not include a travel advance statement, travel advance by FSOs shall not be authorized unless an amended travel order is published. When multiple travelers are listed on the TDY order, designate the applicable travel advance payment statement for each traveler as follows: Place the letter identifier, or item number listed on the reverse of the order identifying the appropriate statement, after the SSN. For example: Smith, John H., 123-45-6789 (A).

z. Includes address and facsimile information for other DoD agencies/services when the travel voucher must be forwarded to those agencies/services for settlement. Contact your local FSO for guidance when using another DoD component's funds.

aa. Important Definitions:

(1) Cardholder: Person issued a government travel charge card or who has turned-down issuance of the card.

(2) Non-cardholders: Personnel who have declined to apply for or accept the government travel charge card and personnel who have applied for, but have not received, their government travel charge card as of the effective date of the travel.

(3) Ineligible personnel are those personnel who have been denied the card by their commander or supervisor or whose government travel charge card has been suspended or revoked because of account delinquency.

ab. Travel advance statements shown in the travel orders:

(1) Cardholder-If the traveler is a cardholder, the following statement applies: "Advance by FSO is not authorized. Traveler has a government travel charge card and PIN, which will be used for ATM cash advances for meals and incidental expenses (M&IE) plus miscellaneous expenses."

(2) Cardholder-When specific item/s cannot be charged, for example, registration fees for non-Air Force conferences. In addition to the statement in aa(1), add: "Travel card cannot be used to charge (insert item). Advance from FSO limited to actual or estimated cost of specified item."

(3) When the traveler meets one of the following conditions:

(a) Has card/PIN, but circumstances preclude use of both charge and ATM cash advance features

(b) Is ineligible for card

(c) Has applied for, but not received card/PIN. The following statement applies: "Traveler advance by FSO is approved. Limit advance to 80% of all authorized and allowable expenses."

(d) Requires an advance for non-Air Force conference fees and those fees may not be charged to the government travel charge card.

(4) FSO travel advance payment cannot exceed 45 days of authorized and allowable expenses, except when the AO authorizes, in the order, an advance of expenses for a longer period of time as warranted by the nature of the travel. For example: Traveler will be TDY 60 days to a location where travel pay service will not be available, and there is neither an ATM, mail service or check cashing facility available and the government contractor-issued travel charge card cannot be used. The AO may authorize an FSO travel advance of up to 60 days. In addition to the statement in aa(3)(c), the following statement will be shown in orders: "Traveler authorized to receive a travel advance payment for XX days."

Item 17-(Requesting Official). You may use this item when required by command or local instruction.

Item 18-(Approving Official (Type Grade and Title), and Signature). If item 17 is not used for a requesting official, the name, grade, and title may be put there and the signature in item 18. The AO will not be the same as the traveler. Note: Facsimile (fax) copies and signatures are allowed for voucher settlement. This freedom applies to all forms prescribed by this AFI.

Item 19-(Accounting Citation.)

a. Unit Information. To the left and directly under the words "Accounting Citation" enter the designation and location of the publishing headquarters.

b. Accounting Classification. Enter accounting classification used to fund the travel, normally from the publishing unit, unless authority was granted to use funds of another unit. DO NOT include accounting citations on permissive TDY orders or transportation authorizations.

(1) When using funds of another unit, a copy of the authority will be provided to the FSO when processing travel orders. A designated official must initial to indicate authenticity and accuracy of the fund citation.

(2) Travel requests not funded by AF Form 616, Fund Cite Authorization (FCA) or AF Form 402, Obligation Authority or Sub-allotment, must contain the signature of the official certifying fund availability.

(3) When citing multiple funds, include TDY location to which they apply in parenthesis following the fund cite. If there is not enough space for accounting classification (or classifications) and accompanying instructions (if required), state "See Reverse," and enter information on a separate sheet of bond paper.

(4) When travel is chargeable directly or indirectly to a Foreign Military Sales (FMS) case or FMS administrative surcharge money, include one of the following statements after fund citation. "FMS Case (number)" or "FMS surcharge."

(5) For the, Customer Identification Code (CIC) number (for travel to, within, or from an overseas area, when travel will be performed by scheduled AMC aircraft)--contact your Traffic Management Office.

(6) Distribution will be placed in the remaining space of this block.

c. Travel involving Two FYs. Orders published before 1 Oct, including travel entitlements to be earned in the next FY, must cite both the current and next FY appropriations. This allows a traveler to be paid a travel advance (if so authorized) and to arrange for transportation. The FSO certifies current year funds only, and validates the accounting classification for the next FY. A qualifying statement concerning fund availability for the next FY is not required. After the start of the new FY, determine if funds are available and record the obligation. If funds are not available and travel has not begun, act to have TDY order revoked.

Item 20-(Order Authorizing Official). (May be signed or official seal may be used.) On computer generated orders, the word "official" may be used in lieu of a seal or signature. The order authorizing official and fund certifying official should not be the same individual. Completing this block is not required if block 18 is signed.

d. Facsimile (faxed) Funds Certification. Faxed funds certification is allowed IAW local FSO policy. Specifically, an organization may fax a travel order for certification to the activity responsible for the funds (normally the installation comptroller organization), the funds are then certified and obligation entered. The order is then faxed back to the organization for publication.

3. Government procured transportation directed; contact your Commercial Travel Office (CTO) or Traffic Management Office (TMO) as soon as possible.

4. For the traveler's convenience, round trip travel by POC and/or personally procured commercial transportation is authorized. Personnel authorized to personally procure commercial transportation are directed to report to Commercial Travel Office for travel reservation.

5. If traveling to a military installation, contact the TDY location billeting office immediately upon receipt of orders. The following direction applies:

a.) Traveler is directed to use government quarters and government mess. (Government meal rate payable)

b.) Traveler is directed to use government quarters and directed to use government mess for some but not all meals. (Proportional rate is payable).

c.) Traveler is directed to use available government quarters, but use of government mess is not directed. Full MI&E is authorized.

6. Changes to meal direction (item 5 above) are allowed after the fact by the approving official if necessary (refer to AFI 65-103, fig \_\_\_\_\_.) Circle the correct item and sign by the circle. Note that entitlements may only be increased after the fact. For more complex changes involving a number of days, consult AFI 65-103 fig \_\_\_\_\_ and indicate the changes in the following area: \_\_\_\_\_.

a. Traveler has been offered a Government Travel Charge Card. Travel advance from FSO is **not** authorized. Use of ATM for cash advance required. Limit ATM withdrawal to allowable out-of-pocket expenses. Estimate ATM withdrawal for this TDY is approximately \_\_\_\_\_. (contact FSO for assistance).

b. Traveler has applied for but not received Government Travel Charge Card or circumstances preclude use of the card. Report to Finance for determination of advance eligibility. Advance authorized for 80% of authorized/allowable expenses.

10. Traveler must use the government contractor travel charge card to charge major expenses (lodging/billeting, authorized rental vehicles and when authorized to personally procure transportation to/from TDY points). Travelers are encouraged to use the card for other authorized expenses (restaurant meals, gas, oil, etc.).

11. (Authority) AFI 36-2110 for military members and JTR for civilians.

**2.3. Blanket Temporary Duty Orders (BTOs).** A limited number of BTOs may be published for individuals who anticipate 12 or more trips per FY, within certain geographical limits, to perform regularly assigned duties. BTOs will not be issued based solely on an individual's grade or position. Frequency of travel must be the determining factor. BTOs continue in effect until expiration or rescission. BTOs are only effective during one FY and will not be used for any one trip in excess of 179 days. If trip goes over

into a new FY, publish a second order to cover that period. If BTOs are required for the same people in the next FY, publish new orders. The fund-approving official must sign the request for orders, indicating funds are available and accounting classification is accurate. See Figure 2.3 for sample.

**2.3.1. Authority for Publication.** BTOs may be approved by the Chief Of Staff, HQ USAF, and the commander of a major command (MAJCOM), field operating agency (FOA), or a direct reporting unit (DRU). These commanders may further delegate approval authority to reasonable, appropriate lower levels. This may be done by supplementing this regulation.

**2.3.2. Order Content.** BTOs require the same data as other TDY orders (see Figures 2.1 and 2.2), except the geographical area of travel must be specified. State effective and expiration dates. In addition, government meals are directed until adjusted upward, as necessary, by the AO after the TDY. Add the following statement, "Accept no promotional items, for example, gifts, bonus tickets, etc." See Figure 2.3 for sample information for the reverse of a BTO.

**2.3.2.1. Example of a Composed Blanket Travel Order:** COL MARALIN C DEWEY, 123-45-6789, this HQ, will proceed at such times as may be necessary during the period 1 Oct 97 to 30 Sept 98, both dates inclusive, from Wash DC to any point within continental limits of the U.S. on TDY in connection with duty as Director of Administration; and upon completion of each mission will return to Wash DC. (Speech or Presentation). Since your per diem is based on the availability of billeting and mess, when TDY to military installations contact the base billeting officer to see if they are available. Government meals are directed. Accept no promotional items, for example, gifts, bonus tickets, etc. (Cite the proper accounting classification and customer identification code.) Items 1 and 2b through 5 on reverse apply. Authority AFI 36-2110.

**2.3.3. Endorsement to Blanket TDY orders.** Special authorizations (paragraph 3.2) requiring written justification will not be included in the basic order. These authorizations, when required for a specific trip, must be added by endorsement to the original order and signed by the AO. Maintain and dispose of any written justification IAW AFI 37-128. In addition, air movement designators, port reporting instructions, excess baggage, foreign flag carrier certificates, ordinary leave, and overseas area clearance may be added by endorsement. When circumstances of a specific trip require the traveler to obtain a travel advance payment, the blanket travel order must be endorsed with the appropriate travel advance payment statement prescribed by Figure 2.1, item 16y and signed by the AO.

**2.3.4. BTO Review.** The installation FSO will review BTOs annually, normally when organizations are preparing new orders for the FY. Review will ensure orders are administratively correct. Also, the FSO must ensure BTO criteria are met and make a recommendation through the appropriate chain of command to the AO for approval/disapproval of the BTO. Additionally, MAJCOM-FOA/DRU/FM will make BTOs an item of interest during staff assistance visits and inspector general inspections.

**2.3.5. BTO Travel Advance.** Cash advance requirements while in a travel status will be met by using ATMs. FSOs will only issue travel advance payments when circumstances of a specific trip negate the use of the government travel charge card. In this instance, the BTO must be endorsed with the appropriate travel advance payment statement prescribed by Figure 2.1, item 16y.

### Instructions for Blanket Travel Orders.

Blanket orders differ from other orders because they can be used over and over again for an extended period. They are intended for people whose official duties require frequent travel with little advance notice. Below are some differences from routine orders.

**Item 9.** Purpose for which this order was approved. If the traveler goes TDY for a purpose other than indicated, a separate one-time routine order must be issued. For example, Colonel Twinkle is selected to sit on a promotion board at Randolph AFB. Since this travel does not relate to normal Air Combat Command activities, a separate order must be prepared. When selecting the type and category of travel, select the ones that best fit the majority of the trips likely to be taken.

**Item 10a.** This item is left blank.

Item 10b. Instead of a single date like on a routine TDY order, put in the note earlier than (NET) and the not later than (NLT) dates. This represents the period the order can be used. As in routine orders, a 7 day window before and after the proceed O/A date applies. You can make the order good for any period of time, for example, a month, a quarter, etc., as long as the date and travel does not run into the next FY.

**Item 11.** Variations are never allowed on a blanket order. In the "TO" portion of the itinerary specify the geographic limitations where travel is authorized.

**Item 12.** Usually this item will be blank unless only one mode will satisfy all trips to be taken. Never mark the block for more advantageous to the government as it would be a special authorization and must be added by endorsement.

**Item 16.** In general, except for the first statement in this order, put in the same information as in routine orders. One difference is that if the traveler will procure his or her own transportation or will use a POC as not more advantageous to the government, the cost provided by the TMO for commercial transportation has to be added by endorsement. Billeting and mess may vary since the traveler may go to other than military installations conducting varying missions. Include the meal's statement contained in Figure 2.1, item 16a (all three options). The traveler will inform the AO which item applied after the fact and the AO will circle and sign the correct choice before the traveler files the travel voucher.

### SUGGESTED REVERSE OF BLANKET TRAVEL ORDER

(NOTE: Only items indicated in remarks (item 16) of the order apply.)

1. Before traveling, comply with the DoD Foreign Clearance Guide for clearance, passport, and immunization requirements.
2. Member is cleared for access to classified material up to and including (a) SECRET (b) TOP SECRET.
3. Within overseas area of TDY, travel by military and commercial aircraft, commercial rail, and bus is authorized.
4. Before traveling outside CONUS by AMC scheduled aircraft, include in these orders a statement that the member will report to APOE NLT 1 1/2 hours before scheduled departure time, flight number, and departure time assigned by TMO. The local priority issuing agency provides return information.
5. Each of the following is authorized when this order is endorsed for a specific trip by an authorized official, making the specific authorization(s) applicable:
  - a. Travel by privately owned conveyance authorized. This mode of transportation determined more advantageous to the government.

- b. Hire of special conveyance (as specified in the endorsement) for use within area of TDY station determined more advantageous to the government.
6. The following statement will be used when order is endorsed for a specific trip by an authorized official after it has been approved by the Secretary of the Air Force: "Travel is authorized by first class commercial air during the period (dates) per approval of Secretary of the Air Force (date approved)."
- 7.a) All government meals are available and directed.
- b) Partial government meals are available and directed.
  - c) Government meals are not available or directed.
- 

**2.4. Repeated TDY Orders.** Repeated TDY orders allow any necessary number of separate round trips from the permanent duty station (to and from), or between specified locations. Each separate journey may require stopover for duty at one or more places before returning to the permanent duty station (PDS). Travel must not be solely between place of duty and lodging/home. Normally, government meals are directed until adjusted by the AO after the TDY.

**2.4.1. Special Instructions.** "Specified locations" means the TDY locations must be listed in the order. Do not authorize variations in itinerary in repeated orders. If the number of trips for a period will be exceeded, amend the repeated order or publish separate orders for the excess trips. Repeated TDY orders continue in effect until expiration or rescission. Repeated TDY orders are only effective during one FY and will not be used for any one trip in excess of 179 days. If a trip goes into a new FY, publish a second order to cover that portion. They may be endorsed as described in paragraph 2.5. If repeated orders are required for the same people in the next FY, publish new orders. The fund certification official must initial the request for orders, indicating funds are available and the accounting classification code is accurate. No funding codes are used on repeated transportation authorizations even when they are for space required nonreimbursable travel.

**2.4.2. Authority for Publication.** Repeated TDY orders may be published by any commander authorized to publish travel orders. These orders require the same general information prescribed in Figure 2.1. In addition, include the effective and expiration dates of the order and specify the number of round trip journeys that may be taken. See Figure 2.4 for a sample repeated travel order.

## INSTRUCTIONS FOR PREPARING A REPEATED TRAVEL ORDER

Follow general guidance in Figure 2.1 with these exceptions:

**Item 8.** Enter capital letters "REPEATED."

**Item 10a.** Leave blank

**Item 10b.** Indicate inclusive dates as shown.

**Item 11.** Itinerary:

a. (Variation Authorized). Do not authorize variations.

b. (Itinerary-To). Enter the word "TO." Show only specific locations where TDY will be performed on each and every trip.

**Item 14.** Estimate based on number of trips authorized.

**Item 16.** Include: "Traveler is authorized to perform (number) round trips each (week, month, year, or during period indicated in item 10b)." Include the required statements for any routine TDY order that apply including meal direction.

---

**2.5. Endorsed Orders.** Except as provided in paragraph 2.3.3 for BTOs, do not endorse blanket or repeated travel orders for other purposes: for example, to direct further travel, authorize additional funds expenditure, or to change strength accountability.

**2.5.1. Who May Endorse.** Orders must be endorsed by the AO who issued the original order, or a lower echelon when authorized by a higher headquarters (for example, OSI district offices). Commanders of aeromedical staging units may endorse patient travel orders when the change is directed by the Armed Services Medical Regulating Officer (ASMRO). Copies of the endorsement must be furnished to the order originator, organization of original destination, and gaining medical facility.

**2.5.2. How To Endorse.** Endorse composed orders below the body or on the reverse if space is not available. Do form orders on the composed orders below the body or on the reverse if space is not available. Do form orders on the reverse if possible or use a separate page. When an endorsement is typed on the reverse or on a separate page, identify the order being endorsed as shown in the example below and address it to the traveler.

**2.5.3. Endorsement Distribution.** Distribute three copies of a BTO to the traveler and one copy to the AO.

**2.5.4. Example:** SO TA-179, 437 ABG, Charleston AFB, SC, 01 Jun 97 Endorsement to Orders:

TO: COL GEORGE GARRETT, 123-46-6789

Travel is authorized by first class commercial air during the period 12 through 20 July 97 per approval of Secretary of the Air Force, 31 May 97. Justification for determining this special authorization is maintained at 437 MAW/DO.

## INSTRUCTIONS FOR PREPARING A PERMISSIVE TDY ORDER

Follow the general guidance in Figure 2.1 with these exceptions:

Item 8. Enter in capital letters "PERMISSIVE." This term can be used for civilian employees traveling at no expense to the government (see paragraph 2.6.3)

Item 9. Do not enter the type or category of travel.

Item 10a. Show specific number of days including travel time and cross out "approximate."

Item 11. Do not authorize variations.

Items 12 through 15. Leave blank.

Item 16:

a. Authority. Enter AFI 36-3003 for military; JTR, paragraph C6250, for civilians.

b. Permissive TDY. Include the following statements: "Submit a no pay travel voucher within 5 workdays after completion of travel. Travel permitted by this order does not entitle traveler to expenses of travel or per diem. Individual is on authorized absence from duty and eligible for military furlough fare discounts. Absence excess to number of days authorized is chargeable to leave."

c. House Hunting Trip. Add: "Report to the Base Housing Referral Office servicing your new duty station before entering into any rental, lease, or purchase agreement for off-base housing."

Item 19. (ACCOUNTING CITATIONS). Do not include an accounting citation on permissive TDY orders. Place the distribution in the remaining space in this block.

---

**2.6. Permissive or No Expense to Government Orders.** Permissive orders allow members to be away from their PDS without being charged leave. There is no reimbursement for travel. Most permissive travel for military members will be done on an AF Form 988, **Leave Request/Authorization**. However, in some cases, a DD Form 1610 or a composed order is used. To determine if a travel order must be used see AFI 36-3003, *Military Leave Program*, and JFTR, paragraph U7650.

**2.6.1. Operation Bootstrap TDY.** See AFI 36-2306, *The Education Services Program*. For Bootstrap, permissive in conjunction with PCS or TDY, or travel involving reimbursement from a nonappropriated fund, continue to use the DD Form 1610. Include the same general information as any TDY, except you must specify number of days, including travel time. Include the following statements: "Submit a no-pay travel voucher within 5 workdays after completion of travel. Travel permitted by this order does not entitle traveler to expenses or travel or per diem. Individual is on authorized absence from duty traveling at personal expense and eligible for military furlough fare discounts. Absence in excess to number of days authorized is chargeable to leave." Include the opening and closing of the term (or terms) involved. Furnish a copy of the orders to the proper FSO. See sample permissive order at Figure 2.5.

**2.6.2. Permissive Orders - Military Personnel.** Authority AFI 36-3003 (JFTR, paragraph U7650). Military personnel traveling on permissive TDY orders are permitted space available travel by DoD-owned or controlled aircraft.

**NOTE:** Permissive TDY for house-hunting terminates upon acceptance of housing and further absence from duty is charged as leave.

**2.6.3. Travel at No Expense to Government-Civilian Personnel.** Authority JTR, paragraph C6250. When an employee agrees to pay his or her own expense, if travel at government expense is not authorized, for attendance at a meeting of a technical, professional, scientific, or other similar organization and it has been determined the employee will be in a duty status, issue a permissive TDY order. The order must state travel is at the employee's request.

**2.6.4. When Order Not Used.** The traveler's supervisor or competent authority must verify the traveler's signed statement that travel was not performed. Send the statement and a copy of the order to the proper FSO. There is no need to revoke the order since funds are not involved.

**2.6.5. Travel by POV.** This mode may be authorized as a convenience to the traveler if it will not increase the total cost to the government. An example would be a member traveling to a permissive TDY station (in a nonpay travel status) during a time in which he or she would not usually be scheduled for duty.

**2.7. NATO Travel Orders.** These orders are to be used only for military personnel movement, their personal baggage, individual weapons, and official documents. Use AF Form 1631, **NATO Travel Order**, or a composed order. The following instructions carry out NATO Standardization Agreement 2026:

**2.7.1. Requirement.** All military personnel, except attachÉ and advisory group-mission personnel, must have (in addition to PCS or TDY orders) a NATO travel order (Figure 2.6.) when traveling from one NATO country to one or more other NATO countries. NATO countries are: Belgium, Canada, Denmark, Federal Republic of Germany, France, Greece, Iceland, Italy, Luxembourg, Norway, Portugal, the Netherlands, Spain, Turkey, the United Kingdom, and the United States.

**2.7.2. Special Instructions.** The NATO travel order must be printed in English and French. Include additional languages if required under national agreements. You may print it on the reverse of the basic order if practical.

2.7.2.1. The NATO travel order should be used for both individual and group travel. If more than one person is traveling, list them by rank, name, SSN, and unit on the face or reverse of the order or on a separate sheet of paper.

2.7.2.2. The NATO travel order is numbered with the same number as the individual's basic travel order. Give one or more copies to the traveler. You need not make more copies for file, record, or other purposes, unless the MAJCOM requires it.

2.7.2.3. You must complete paragraphs 1 and 2 of these orders. Only use paragraphs 3 and 4 when necessary.

2.7.2.4. You may reproduce and fill them in as required.

2.7.2.5. When frequent travel is required, you may publish the NATO travel order for a period corresponding to a basic blanket or repeated order.

2.7.2.6. NATO orders will be prepared when destination is classified. Destination will not be shown in item #2 of the basic order.

**2.8. Partnership for Peace (PFP) Countries.** To travel in PFP countries, Air Force members are only required to possess a DD Form 1610 and a valid identification card. No other documentation is required. These countries currently include Albania, Bulgaria, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Moldova, Romania, Slovakia, Slovenia, and Uzbekistan. North Atlantic Treaty Agreement provisions

for personal baggage, individual weapons and official documents also apply. Contact your local legal office to validate a current list of the countries included in the PFP agreement.

## Chapter 3

### GENERAL GUIDANCE

**3.1. Separate Orders Involving Travel.** When a single Responsibility Center/Cost Center (RC/CC) number applies to a group of individuals traveling on TDY, include the number in the accounting classification. If a single RC/CC number does not apply, prepare a separate order for each person, or place the number after each name, for example: "MAJ W J SMITH, 000-00-0000." RC/CC 100314." Indicate the omission of the RC/CC in the accounting classification by using brackets, for example, "57\*3400 30\*4312 (xxxxxx) 409 503700" and include a statement in the body of the composed orders, or in the "Remarks" item of form orders "RC/CC number is indicated after each traveler's name."

**3.2. Special Authorizations.** A special authorization is something that adds to the cost of normal travel and will only be requested when needed to accomplish the mission. When travel cannot be made by normal transportation modes, or when special authorizations are required to carry out travel, comply with the restrictions in the following paragraphs.

**3.2.1. Statement for Orders.** To indicate special authorizations desired and that a cost analysis has been accomplished, the following statement must be included in the "remarks" section of the order: "Special authorization(s) for (rental cars, use of privately owned conveyance, excess baggage, etc.) is/are required for mission accomplishment. The cost of the special authorization(s) has been reviewed and is justified as more advantageous to the government or necessary for mission accomplishment." The AO or commander's signature in the AO section of the order indicates actual approval of the special authorization.

**3.2.2. Justifications.** Justifications for special authorizations must be based on advantage to the government. Convenience to the traveler is never a reason for approving a special authorization. Factors to be considered in determining if special authorizations are an advantage to the government, include but are not limited to:

3.2.2.1. Requirements of the mission assignment.

3.2.2.2. Availability of all types of transportation modes and effect on productive time related to the travel time involved.

3.2.2.3. Need to transport additional baggage, tools, or equipment.

3.2.2.4. Location of places of temporary duty in relation to location of lodging and meal facilities and availability of transportation between these points.

3.2.2.5. Total cost to the government (includes per diem, lost work time, salary of civilian employees, and actual transportation).

3.2.2.6. Duty locality in relation to traffic conditions, routing, and weather.

3.2.2.7. Overall cost advantage when there are accompanying passengers under official travel orders in the same privately owned conveyance.

3.2.2.8. Documentation (letters, messages, etc.) used to justify a special authorization is considered background material and will be maintained and disposed of according to AFI 37-128.

3.2.2.9. If a special authorization does not apply to all travelers, the order must state to whom it applies.

### **3.3. Nonuse of Government Facilities:**

**3.3.1. MAJCOM Supplements.** MAJCOM supplements to this AFI may include specific circumstances where commanders may issue adverse effect statements covering duty requirements that do not permit use of government facilities.

**3.3.2. Nonuse of Government Facilities.** Before orders are published, the traveler or project officer must request and obtain approval for nonuse of government facilities if billeting is available on the TDY installation.

**3.3.3. Authorizing Officials.** Wing or group commanders may authorize nonuse of government facilities, in individual cases, when conditions justify it, but the commander at the TDY location does not agree to issue an impracticability statement. This authority must be issued with care. Letter request must cite this subparagraph and also state the impracticability condition. If known in advance of the TDY, the authorization will be included in the TDY order using the statement in 3.3.5 below.

**3.3.4. Statement of Adverse Effect -- Nonuse of Government Facilities.** If a traveler finds government facilities cannot be used without adversely affecting the mission, the AO signs the DD Form 1351 approving the change if appropriate. For simple changes in meal direction (see atch 2 and Figure 2.1) the approval is done on the order back. For exercises, the exercise commander (or equivalent, such as team leader) is provides a memorandum to the AO indicating circumstances prohibiting use of government facilities. If appropriate, the AO signs the DD Form 1351 approving the change. For FSO documentation requirements as a basis for payment of increased per diem, retain supporting documents as background material.

**3.3.5. Nonuse Statement.** If it is known in advance that use of government quarters would adversely affect mission performance, use the following statement in the TDY order: "Use of government quarters will adversely affect (the mission) (performance of duties) (at\_\_\_), or (for the period\_\_\_)." If unique or specialized billeting requirements exist, orders will include a statement to that effect.

**3.3.6. AETC and AFIT Fund Citations.** AETC and AFIT authorizes other organizations to cite their funds in orders. This covers only normal allowances. If special authorizations are needed, the AO must get approval before putting them in the order IAW AFCAT 36-2223.

### **3.3.7. Special Conveyances AFI 24-101:**

**3.3.7.1. Motor vehicle.** When a motor vehicle is rented for the exclusive use of one or more persons, it is a special conveyance. Select the rental service permitting the mission to be carried out at lowest overall cost. Traffic management officers (TMO), Commercial Travel Office (CTO) or Scheduled Airline Traffic Offices (SATO) will make arrangements for travelers. See AFI 24-101 for procedures.

**3.3.7.2. Statements for Authorizing Special Authorizations in Orders.** Special authorizations must be authorized in the TDY order. Following are examples of statements used:

3.3.7.2.1. "Hire of special conveyance for use within area of TDY station authorized as more advantageous to the government."

3.3.7.2.2. "Hire of special conveyance authorized as more advantageous to the government." Use this statement when use is not restricted to the area of the TDY station; for example, it is in a remote area where adequate common carrier transportation is not available.

3.3.7.2.3. When variations in itinerary are authorized or there is more than one TDY point, indicate the actual location (or locations) where special conveyance will be used. For example: "Hire of special conveyance within area of (location of TDY) authorized as more advantageous to the government."

3.3.7.3. The AO should ensure traveler is briefed on specific guidance concerning rental vehicles (see AFI 24-101).

**3.3.8. Fly-It-Yourself Aircraft.** Fly-it-yourself aircraft must be authorized in orders as a special conveyance. Persons who use fly-it-yourself aircraft for personal convenience need not have special conveyance authorized in orders.

3.3.8.1. In orders for fly-it-yourself aircraft if a special conveyance is to be hired, include: "Hire of fly-it-yourself aircraft as a special conveyance authorized between \_\_\_\_\_ and \_\_\_\_\_ as more advantageous to the government."

3.3.8.2. Include in the order "Contact your TMO who is required to arrange for the hire of fly-it-yourself aircraft." (JFTR, paragraph U3415B, and JTR, paragraph C2102.2).

**NOTE:** AOs do not authorize private aircraft to carry passengers, unless the pilot has a commercial pilot's license (AFI 24-101) or a private pilot's license and are also instrument rated. This requirement does not apply to Aero Club aircraft.

**3.3.9. Extra Fare Train (AFI 24-101).** Statement for orders: "Travel is authorized by extra fare train."

**3.3.10. Privately Owned Conveyance (Including Privately Owned Aircraft) Advantageous to the Government (JFTR, paragraph U3305 and JTR paragraph C2151).** Statement for orders: "POC. This mode has been determined more advantageous."

**3.3.11. First Class Air Accommodations (JFTR, paragraph U3125 and JTR, paragraph C2204).** Statement for orders: "Travel is authorized by first class commercial air per approval of Secretary of the Air Force."

**NOTE:** When first class evening fares do not cost more than normal day coach fares, they do not require a special authorization.

**3.3.12. Commercial Air to and From CONUS (AFI 24-101).** Statement for orders: "Travel authorized by commercial air per approval of \_\_\_\_\_."

**3.3.13. Travel Within and Around Duty Station (JTR, Paragraph U3500 and C2400).** Statement for orders: "Reimbursement of transportation expenses necessarily incurred in the conduct of official business in and around a temporary duty station is authorized."

**3.3.14. Excess Accompanied Baggage Allowance Authorization.**

3.3.14.1. When excess accompanied baggage allowance has been approved, include in travel orders: "\_\_\_ pieces excess accompanied baggage authorized according to AFI 24-101."

3.3.14.2. To authorize excess accompanied baggage for dependents traveling by AMC aircraft, include: "\_\_\_ pieces excess accompanied baggage authorized for each dependent, according to AFI

24-101." For travel by AMC aircraft, excess accompanied baggage must be stated only in pieces. For travel by commercial air, the excess accompanied baggage must be stated in terms of pounds and pieces, depending on the carrier's allowance as determined by TMO. For travel by other modes, see AFI 24-101.

**3.3.15. Shipment of Household Goods (HHG) Under Military TDY Orders.** When shipment of HHG are authorized IAW JFTR, paragraph U4705, the orders must include a statement of authorization.

**3.3.16. Personally Procured Transoceanic Travel.** If travelers personally arrange and pay for transoceanic travel, they may not be reimbursed unless it is authorized in their orders. A special authorization must be approved. The "letter request" will first be routed through TMO and approved by the traveler's squadron commander. Approval authority will not be further delegated. State on the orders: "Traveler authorized to personally procure transoceanic transportation."

**3.4. Variations in Itinerary.** This permits omission of travel to a place (or places) stated in a travel order; changes in the order of travel to places shown; and travel to places not shown. It is not used in place of adequate advance planning nor is it interpreted as granting blanket travel authorization. It is permitted only when essential to the success of the mission.

**3.4.1. When Variations are not Authorized.**

3.4.1.1. Do not use variations because of probable flight changes caused by weather, mechanical failure, or requirement to remain overnight at other than duty points.

3.4.1.2. When purpose of TDY is to attend a technical, scientific or professional meeting.

3.4.1.3. When purpose of TDY is to attend a school or course of instruction, except when unspecified field trips or flight training outline or AFCAT 36-2223.

3.4.1.4. On a PCS order, except in TDY enroute.

3.4.1.5. In an amendment to an order after travel is completed (see paragraph 1.2.14.1).

**NOTE:** Variations in overseas travel do not exempt requirements for foreign area clearances.

**3.5. Classified Orders.** You can often avoid classification with careful wording, especially in duty to be performed. For example, if the purpose is to inspect a piece of classified ordnance, the order may read: "To inspect ordnance material." This statement gives the purpose as official Air Force business, but does not identify the classified equipment being inspected. Also, to avoid classifying an order if TDY is at a classified location. Include the name of a nearby location in the itinerary if the rate of per diem is the same and authorize variations in itinerary. When an order must be classified, mark and handle it according to AFI 34-401. You may also make extract copies using asterisks in place of the classified data. When presenting orders to unofficial agencies such as rental car companies, hotels, etc., it is permissible to delete or obliterate certain data such as grade, position, title, security clearance, and purpose of travel. Although this data in itself is not classified, it may be sensitive in the wrong hands.

**NOTE:** In using a nearby location, ensure you do not inadvertently identify classified data; e.g., the theater of operations, if classified, or other classified or security related data associated with deployment operations. Always check the latest security classification guidance to ensure you are not disclosing classified information when completing the orders.

## Chapter 4

### CIVILIAN TRAVEL, TRANSPORTATION AUTHORIZATIONS, DEPENDENT TRAVEL, INVITATIONAL TRAVEL, EMERGENCY LEAVE, AND SUBPOENA TRAVEL

**4.1. Civilian Travel Orders.** DD Form 1610 is used for DoD civilian travel. In rare cases where it is not practical to use printed forms, you may compose orders. Instructions for completing these forms are in JTR, paragraph C3150 and in Figure 2.1.

**4.2. Transportation Authorizations.** Transportation authorizations permit travel by military aircraft only in a non-per diem status for: non-DoD personnel to perform official duty for the Air Force; civilian employees of DoD and their dependents, dependents of military personnel family emergency travel when space required transportation is not authorized; student dependents of military personnel serving in Hawaii and Alaska for travel from (APOE) serving sponsor's duty station to CONUS aerial port of debarkation (APOD), and return. Any orders-publishing activity may publish a transportation authorization for space available travel as outlined in DoD 4515.13-R, *Air Transportation Eligibility*. Include the specific paragraph of DoD 4515.13-R under which space available travel is being performed. When the Air Force Chief of Staff specifically approves travel not authorized by DoD 4515.13-R, cite the letter and its date.

**NOTE:** The contracting officer may authorize travel authorizations for cost reimbursable travel in conformance with contract provisions. Preparers of travel authorizations must comply with DoD 4515.13-R, Air Force Transportation Eligibility, paragraph 3-3E(2) which states in part..."travel orders must contain a statement that commercial transportation is neither available, readily obtainable, nor satisfactorily capable of meeting the travel requirements, the non-government rate tariff applies, and the name and address of the contractor so AMC can bill on a direct billing basis..." Travel authorizations will be in letter format as in paragraphs 4.2.1.1 and 4.2.2.1 below.

4.2.1. For Travel Within CONUS. Include:

- 4.2.1.1. Name and home or business address.
- 4.2.1.2. Approximate date of departure.
- 4.2.1.3. Destination (complete itinerary) and place to which return travel is desired, if applicable.
- 4.2.1.4. Place from which travel is authorized.
- 4.2.1.5. Purpose of travel.
- 4.2.1.6. Approximate number of days authorized, including travel time.
- 4.2.1.7. Authorization for excess baggage, if approved (see paragraph 3.3.11).
- 4.2.1.8. Statement that "travel is necessary in the military service according to (appropriate Air Force directive, letter, or message under which travel is authorized)."
- 4.2.1.9. State whether reimbursable or nonreimbursable (see DoD 4515.13-R, chapter 6, for policy on transportation charges for travel by AMC and nonAMC aircraft). If reimbursable, and payment is not in cash, include name and address of the organization or individual responsible for reimbursement on a direct billing basis. State whether the U.S. Government or nonU.S. Government rate tariff is applicable, as determined by DoD 4515.13-R. When travel is on a space available basis, so state, and note references that apply.

**4.2.1.10. Example:** DR. CHARLOTTE R HUDSON, Assistant Professor, Physics Department, University of Maryland, College Park MD, is authorized to travel on or about 17 Mar 97 by military aircraft from Wash DC to Wright-Patterson AFB OH, for approximately 15 days for the purpose of repairing the AF cosmic ray monitor telescope, and upon completion return to Wash DC. Authority: DOD 4515.13-R. Nonreimbursable traffic.

**4.2.2. For Travel to and Within an Overseas Area.** The orders do not refer to logistical support, except when authorizations are not adequate, or when specific logistic support is desired by the traveler and approved by the overseas commander. AOs must make sure that area clearance has been obtained before requesting orders. Include:

- Information required by 4.2.1 that applies.
- Passport number.
- Statement: "Before traveling comply with the DoD Foreign Clearance Guide for clearance, passport, and immunization requirements. Obtain immunizations at the nearest armed services hospital or dispensary."
- If travel is on a "space required" basis by scheduled AMC aircraft, include accounting classification, customer identification code, and air movement designator. Further state the air movement designator for return travel will be obtained from the overseas local priority-issuing activity. The fund approving official initials the request for orders, indicating availability of funds and accuracy of accounting classification.
- When space available travel by AMC aircraft is permitted, include the paragraph in DoD 4515.13-R that applies; or, if travel is an exception to the cited directive, include the approval authority and date.

**4.2.2.1. Example:** DR. ARTHUR BENHAM, passport number Y487125, Professor of Education, College of Education, Ohio University, Athens OH, is authorized to travel on or about 24 Mar 97 by AMC aircraft from APOE, Travis AFB CA to Yokota AB Japan, under air movement designator SUU OKO-2CT-FZ-03, for approximately 149 days, for the purpose of conducting the Guidance and Counseling Institute offered to Air Force overseas dependent school teachers by Ohio University, and upon completion will return to Travis AFB CA. Billing for transportation (at the US Government rate tariff) will be forwarded by AMC/FMIA, to Dr. Clayton Carter, Director, Guidance and counseling Institute, College of Education, Ohio University, Athens OH 45701-3421. Before traveling, comply with the DoD Foreign Clearance Guide for clearance, passport, and immunization requirements. Obtain immunizations at the nearest armed services hospital or dispensary. Air movement designator for return travel will be obtained from the local priority issuing activity. Authority: DoD 4515.13-R, paragraph 3-3f. Reimbursable traffic.

All absence from duty is chargeable to leave. Accomplish necessary immunizations before traveling. Sixty-six pounds baggage authorized. File a no pay travel voucher within 5 workdays after return. Authority: DoD-R 4515.13, paragraph 4-5a.

**NOTE:** For Air Force employees traveling in emergency leave status, do not use an AF Form 972, Request for Authorization for Emergency Leave Travel.

**UCMJ**—Uniform Code of Military Justice

**Attachment 2****PROPORTIONAL PER DIEM (PPD) BACKGROUND AND GUIDANCE**

1. On 1 Oct 96, a change to the Joint Federal Travel Regulation (JFTR) and Joint Travel Regulation (JTR) introduced the PPD rate as an additional means of determining meal reimbursement for TDY travelers. It occurred in conjunction with a scheduled reduction in surcharge rate assessed in military dining facilities and a determination that most dining facilities are open to all TDY travelers, officers and civilians included, as listed in AFI 34-602. PPD was created:

- a. To coincide with a surcharge reduction in military dining facilities, reducing the cost from \$18.15 to \$7.00 per day.

- b. To bring parity between officer and enlisted per diem.

- c. Remove cumbersome meal counting for determining per diem.

2. Previously, TDY travelers were either reimbursed for meals at the government meal rate, at the locality rate; or at a meal-by-meal rate. Meal-by-meal rate was replaced by PPD which is a “middle rate” of per diem designed to adequately reimburse members who eat one or two meals in a government dining facility. It is computed by adding the locality (meal) rate to government (meal) rate and dividing by two. Note: Travel days are still computed using 75% of the locality rate no matter dining hall availability or meal direction.

3. The AO decides which per diem is applicable. The AO marries meal availability in AFI 34-602 with mission requirements to determine which rate applies: locality, PPD, or government rate. Rank or position is not a determination of per diem since the new procedures apply to both officers and enlisted personnel.

4. The AO must select one of three options listed on all travel orders:

- a. All government meals are available and directed.

- b. Partial government meals are available and directed.

- c. Government meals are not available or directed.

5. If the traveler finds out meal availability has changed or the mission didn't allow consuming meals in the dining hall as directed by the AO, the AO may make changes to the orders after the fact to reimburse the traveler at a higher rate. The AO makes changes, if warranted, based upon a reasonable request by the traveler. See Figure 2.1 for guidance on making changes to orders after the fact. Some (but not all) factors that may necessitate a change:

- a. Billeting availability changes and the traveler must be billeted off base. In this instance, the FSO automatically pays the locality rate and no annotation is required by the AO or traveler. Nonavailability information is required.

- b. Dining hall hours/availability were different than originally understood.

- c. Mission required abnormal work hours.

- d. Eating at the dining hall was too difficult given distance and transportation considerations.

6. If the AO fails to make the mandatory meal determination on the travel orders, the FSO may send the orders back for correction if that task may be completed before travel occurs. If the AO fails to make a

meal determination and the orders aren't corrected before travel occurs, the locality rate applies unless a meal was provided with a conference and that fact was not known before travel. The FSO will confer with the AO if meal direction does not appear in blanket travel orders.

7. If a military member is lodged off-base, the AO may not direct use of the government mess and the member receives the full locality rate. However, the military member may consume meals in the dining hall without a reduction in per diem even if allowed the locality rate. No stigma is attached to the military member for eating in dining halls although not directed to do so.

8. Civilians may not be required to eat in a military dining facility but may eat in dining facilities if they wish. Their per diem is reduced to the PPD rate or the government rate if they consume meals in a government mess and they must claim the meals on their travel voucher.

9. Both civilians and military are subject to lower per diem, as applicable, if meals are provided in conjunction with a conference, exercise, or deployment. If all three meals are provided, the incidental rate applies.

10. Military are paid PPD for travel less than 10 hours and meal(s) are claimed (excluding the \$2 CONUS, or \$3.50 OCONUS incidental expenses). The "occasional meal" has been replaced by PPD. 75% of the locality rate is paid for TDYs over 10 hours. Civilians are not paid for meals when the TDY is less than 12 hours.

11. If not contacted before the TDY, government mess is considered available at other services' installations.

12. For blanket orders, the AO directs government meals and then adjusts, as necessary after the TDY as in other travel. This policy is IAW per diem committee guidance to only increase entitlements after the fact, never decrease.

13. PPD rules apply to Contingency/Exercise/Mobility (CEM) and flight orders. The OpPlan for the particular exercise states what reporting instructions will be used as far as availability of quarters and mess.

14. Open mess availability does not directly effect PPD computation except in some OCONUS locations where the locality rate is reduced. Refer to Appendix B, Footnote 2, JFTR.

15. Box lunches are considered a meal in a government mess. (The issue usually only arises when the all meals available rate is directed or under field conditions). However, according to U4125, "box lunches, in-flight meals and rations furnished by the government on a military aircraft are not considered to be a government mess for per diem computation purposes." If the box lunch is consumed in the air, it doesn't count for per diem purposes. If the box lunch is consumed on the ground, it counts for per diem purposes.

IC 2001-2 to AFI 65-103, Temporary Duty Orders

23 FEBRUARY 2001

**SUMMARY OF REVISIONS**

This change is to incorporate IC 2001-2, which provides new guidance on Personnel Tempo (PersTempo) Codes on Temporary Duty Orders (paragraph 2.1.7 and Table 2.1.).

## 2.1. Qualifications and Responsibilities of the Orders Approving Official (AO)

2.1.7 Travel Order Personnel Tempo (PersTempo) Codes. Include, in the “Remarks” block of the order, the appropriate “Travel Order PersTempo Code” and corresponding definition title listed in Table 2.1. This code is used in the voucher settlement process to flow information back to the personnel system. Additional information on the Duty Status Codes that fall under each “Travel Order PersTempo Code” can be found in AFI 36-2134. A travel voucher supported by an order that does not have a “Travel Order PersTempo Code” will be processed as an “Q” Travel Order PersTempo Code during settlement. This travel will not accumulate for the payment of high-deployment (Burdenome Tempo) pay.
